

Child Protection Incident Report Form

The Child Safe Standards require organisations that provide services for children to have processes for responding to and reporting suspected child abuse. This form can be used by a staff member or provided to a child or their family if they disclose an allegation of abuse or safety concern.

This form should be used in conjunction with the College's **Four Critical Actions** procedures for responding to incidents, disclosures and suspicions of child abuse and for responding to student sexual offending.

All Child Protection Incident Report forms relating to suspected child abuse will be stored securely.
